

## **NEWS FROM REGIS**

**JULY 2016**

**WE'RE DELIGHTED TO WELCOME MICHAEL BREEN TO THE REGIS TEAM!**

With the continued growth in our business, we knew it would be important to bolster our team in order to continue to provide the levels of service our customers have come to expect.

With that in mind, we are delighted that Michael Breen has joined us at Regis. He brings with him a wealth of experience and will help to develop new sales as well as passing on his knowledge to the newer members of the team.

Managing Director of Regis, Mike Saini says "Michael has been a competitor of ours for as long as I've been in the industry so I can only assume he's decided that if you can't beat them, join them! Seriously, it's a pleasure to welcome him on board and I wish him every success here."

Michael had this to say:

"When Mike came to see me and made me an offer I couldn't understand (YTS at 62!) I was only too happy to come on board with the team at Regis. It is indeed a pleasure to join such a fast moving company and I am hoping my previous experience will enhance the already knowledgeable and experienced team here at Regis. I am sure together we can further business growth and I am looking forward to the challenge of helping the company to continue their success for many years to come."
