

MCRMA ANNUAL CONFIRMATION OF MEMBERSHIP CHARTER COMPLIANCE

I confirm that _____ (*insert company name*)

- 1 Has a registered office in the UK.
- 2 Manufacturers, installers or suppliers of goods and services to the industry and who undertake design work for third parties shall maintain insurance appropriate to their business including Product Liability Insurance, Professional Indemnity Insurance cover, or similar cover.
- 3 Has a competency structure and review policy for staff members who offer and provide technical and commercial guidance and that competency is assessed against industry recognised guidance.
- 4 Strives to minimise adverse environmental impact in the provision of their products and/or services and has due regard for environmental issues during procurement, delivery (including installation implementation) and waste disposal.
- 5 System manufacturers, component manufacturers and system installer members are accredited to EN ISO 9001 (Quality Management System) or are committed towards achieving accreditation within one year of membership.
- 6 Products manufactured or supplied by member companies should comply with the Construction Products Regulations and where appropriate should be CE/UKCA marked in accordance with a recognised assessment procedure or harmonised standard.
- 7 Uses internationally recognised calculation methodology or test data as a basis for the performance figures shown in technical documentation.
- 8 Will provide on request certificates of origin and product conformity for the primary materials from which the products are manufactured.
- 9 Observes all relevant regulations and standards including, but not limited to, UK Standards, European Standards, UK Building Regulations, ACR and HSE codes of practice.
